EXPERIENCE

XPLRA | FULL STACK INTERN

June 2025 – July 2025 | US-based

- Built a responsive landing page for Xplra, a US-based video gaming company, using React.js, TypeScript, Tailwind CSS, and shadcn/ui.
- Designed a visually striking UI for Xplra featuring a marquee-style "Coming Soon" animation, along with a falling stars background effect.
- Deployed the project solo via GitHub and Vercel.

SOUJI ALIGNERS | FRONTEND FREELANCE

July 2025 | Hyderabad

- Designed and deployed a responsive, visually appealing website for Souji Aligners using Next.js, TypeScript, and Tailwind CSS, with a pop-up component.
- Managed end-to-end domain setup with DNS configuration for seamless hosting.

ADSPARK AI | FRONTEND, API FREELANCE

March 2025 – April 2025 | Bengaluru

- Built a high-performance, SEO-optimized website using React.js and Tailwind CSS, integrating EmailJS and Google Sheets for secure, automated inquiry routing and lead management.

PROJECTS

Mar 2025 | Personal Project | [GitHub](#)

- Real-time gesture recognition using MediaPipe + RFC with high-accuracy.
- Captures live hand images & translates recognized gestures to general language.

MEDITRANCE | MERN, JWT TOKENS

Apr 2024 | Hackathon | [Live](#) | [GitHub](#) | [Demo-Video](#)

- Led a team to secure 4th place in a national-level hackathon by driving full-stack development and coordinating feature delivery.
- Independently built the entire backend using Node.js and Express.js, including system design and the "Favorite Sessions" feature.

EDUCATION

SRKR EC

B.TECH IN INFORMATION TECHNOLOGY

2022-2026 | Bhimavaram, India
CGPA: 8.1 / 10.0

ADITYA JR. COLLEGE

INTERMEDIATE, MPC

2020-2022 | Amalapuram, India

SKILLS

PROGRAMMING

3+ years:

C/C++ • HTML & CSS • SQL

Javascript • Python

2+ years:

Express • Node JS

React • MongoDB • Java

1+ years:

Next JS • Tailwind CSS

Typescript • Prisma(ORM)

Socket.io • Web-RTC

Shadcn-ui • PostgreSQL

TECHNOLOGY

Git & Github • AWS (basics)

Linux • Docker

Artificial Intelligence • Vercel

Supabase • Postman

COURSEWORK

UNDERGRADUATE

OOPS • DBMS

Computer Networks

Operating System

Data Structure, Algorithms

CERTIFICATIONS

Essentials in Generative AI:

Microsoft

MERN Stack : Brainovision

AIML Internship : NIELIT AWS

Devops Internship : Blackbucks

ACHIEVEMENTS

1,455 rating in Leetcode CP
